1216 / BSSBL - 2 PART BLACK KIT - 3.32 L
1235 / BSSBLT - 2 PART TINTABLE KIT - 2.96 L

Easy to use multi purpose coating! Spray with a Dominion Sure Seal Schutz Gun (BUPASS), or apply using a brush or roller on virtually any surface for a tough, durable, long lasting finish. This spectacular urethane coating is fast drying with excellent UV protection. A great looking, long lasting finish that protects your truck against a wide range of extreme conditions and extends longevity of any surface.

Available in Black or Tintable to virtually any color.
